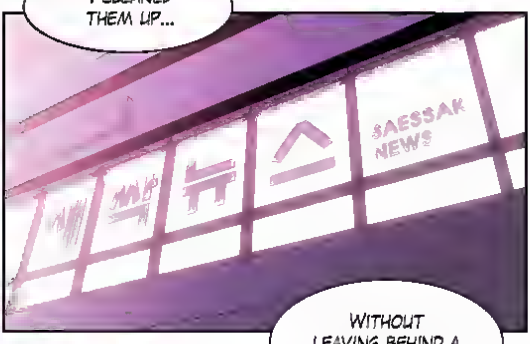
LUNA... I MEAN, IM SOO-HEE

DID YOU TAKE CARE OF THOSE REPORTERS?

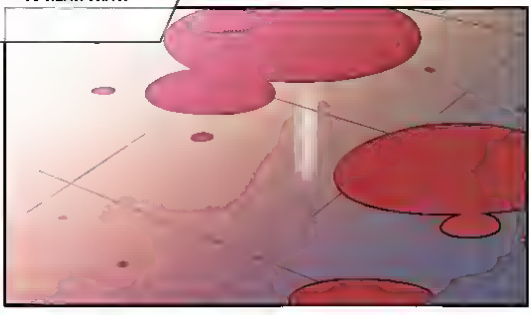
YES.

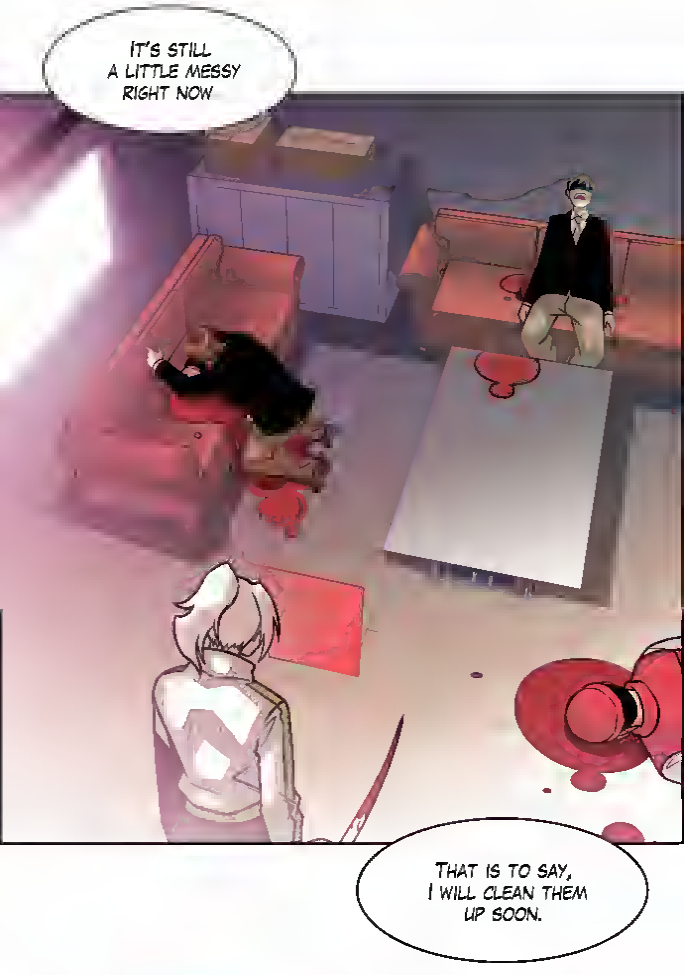
I CLEANED THEM UP...



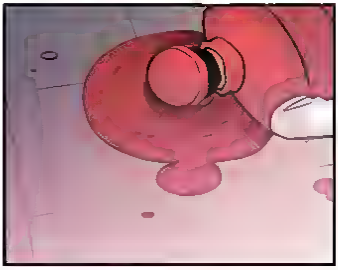
WITHOUT LEAVING BEHIND A SINGLE TRACE.

HAHA. I'M GLAD TO HEAR THAT.





IT'S STILL A LITTLE MESSY RIGHT NOW
THAT IS TO SAY, I WILL CLEAN THEM UP SOON.



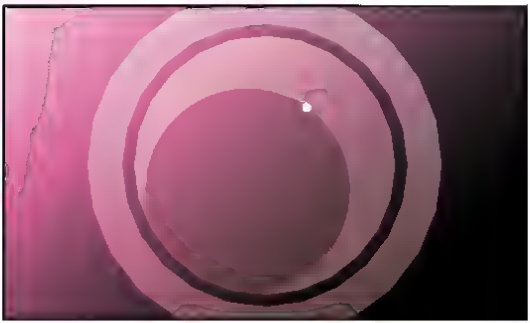
ANYWAY, AS I HAVE SAID THERE ARE ALWAYS PEOPLE WHO DON'T LISTEN, ESPECIALLY IN THE MEDIA

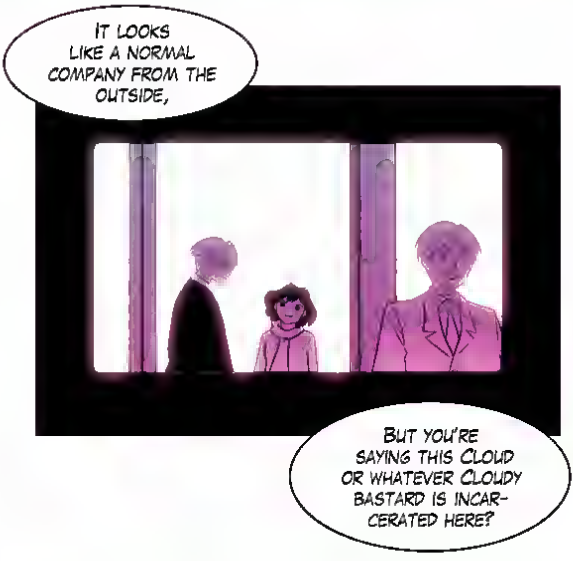
THE SUN

OH, AND ABOUT CHRIS... THAT OLD GEEZER MIGHT HAVE TOLD KIM HYUN-UK ABOUT YOU. SO BE CAREFUL IN THE MEANTIME

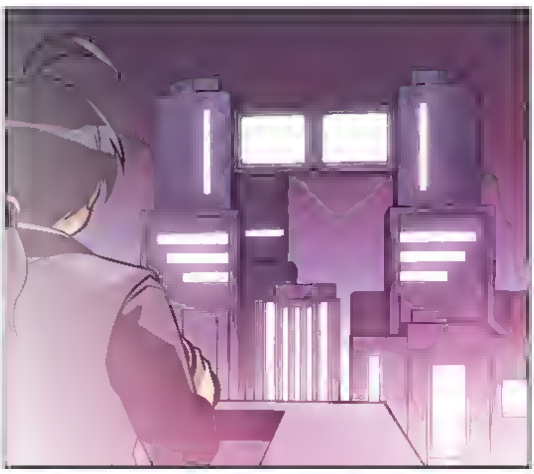
WELL, KEEP UP THE GOOD WORK.

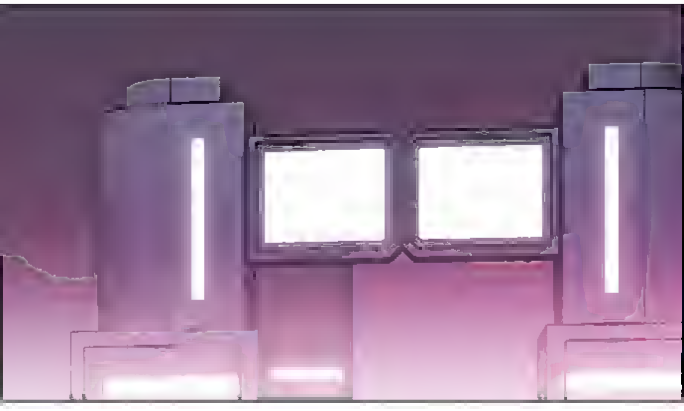
PSST-

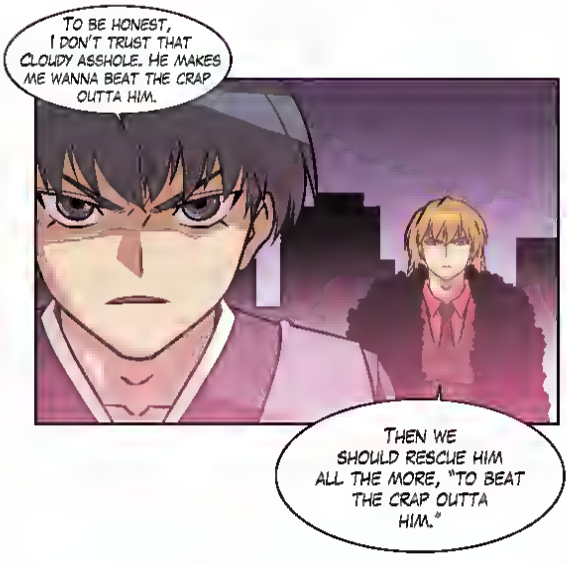




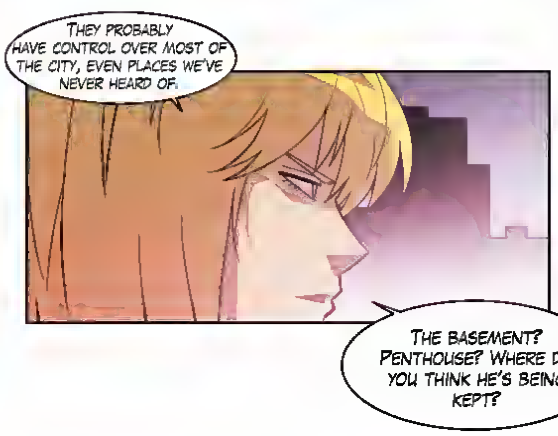
It looks like a normal company from the outside,
But you're saying this Cloud or whatever Cloudy bastard is incarcerated here?



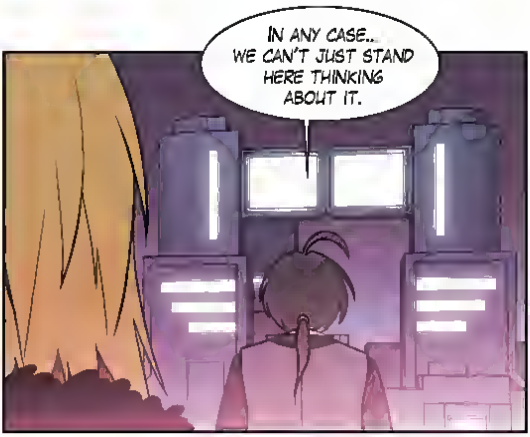




To be honest, I don't trust that cloudy asshole. He makes me wanna beat the crap outta him.
Then we should rescue him all the more, "to beat the crap outta him."

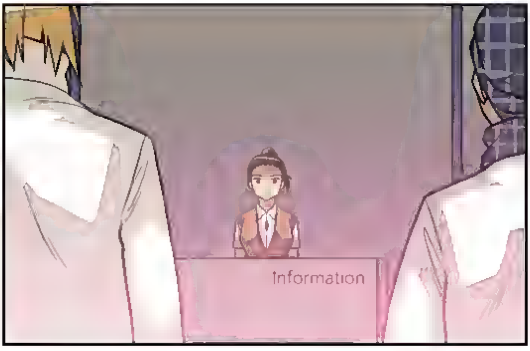


They probably have control over most of the city, even places we've never heard of.
The basement? Penthouse? Where do you think he's being kept?

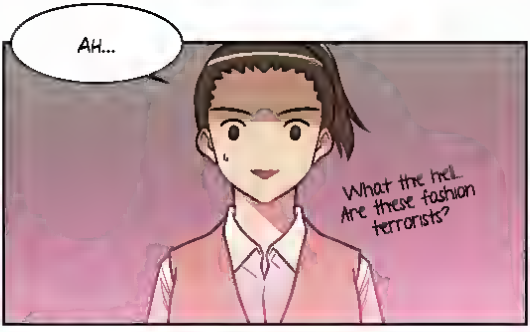


IN ANY CASE..
WE CAN'T JUST STAND
HERE THINKING
ABOUT IT.

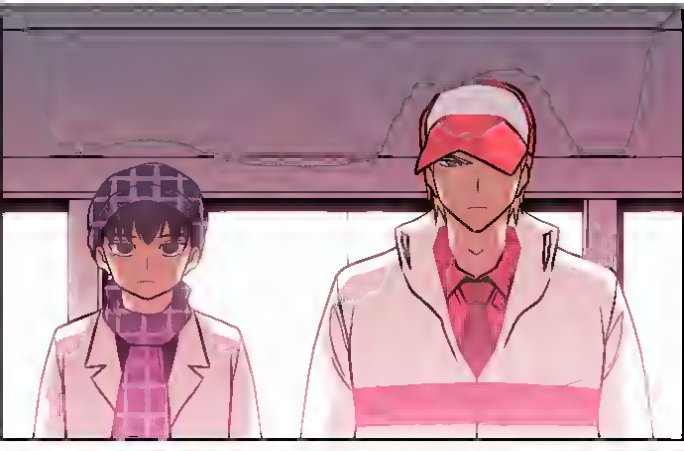
LET'S...
BREAK IN!



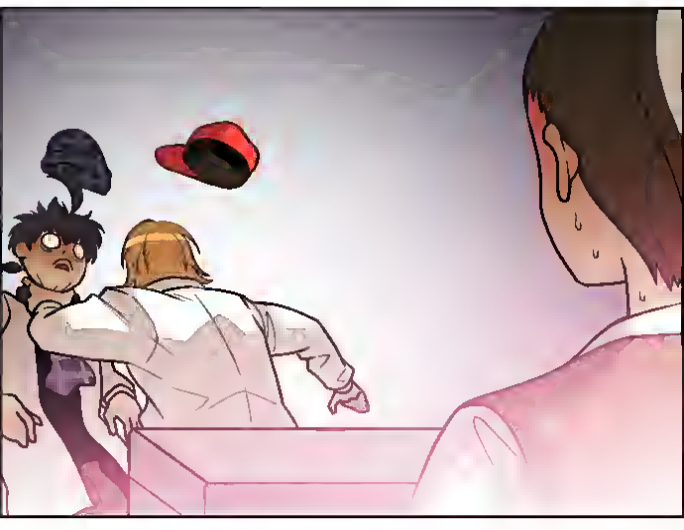
Information

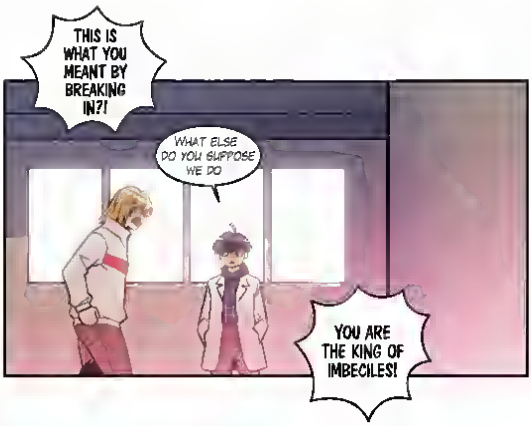


AH...
What the hell. Are these fashion terrorists?



Do you know...
Where the Sun's secret hideout is lo...



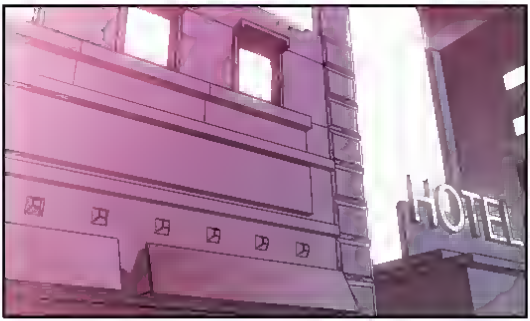


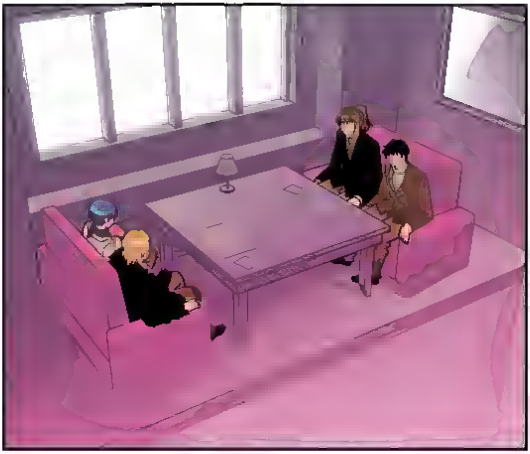
THIS IS WHAT YOU MEANT BY BREAKING IN?!
WHAT ELSE DO YOU SUPPOSE WE DO
YOU ARE THE KING OF IMBECILES!

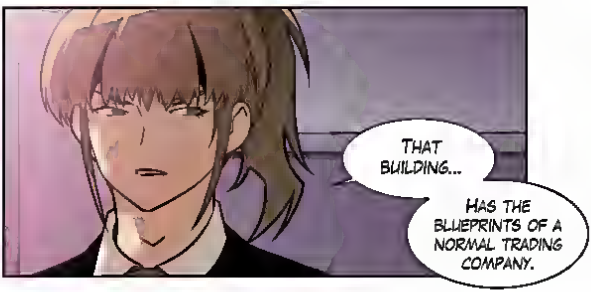
IS SOMETHING...
...THE MATTER?

WH...WHO ARE YOU?
.....
THIS IS WHY WE'VE BEEN FOLLOWING YOU.
BECAUSE YOU'RE USELESS.

Yeah, but who the hell are you.







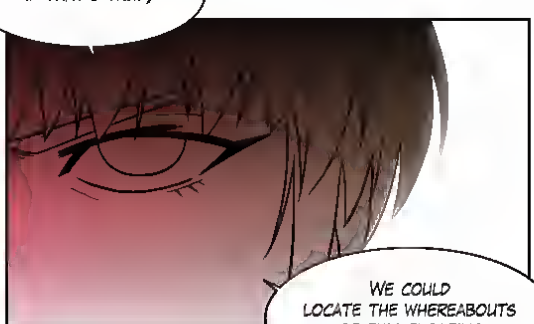
THAT BUILDING...
HAS THE BLUEPRINTS OF A NORMAL TRADING COMPANY.

FOR STARTERS, IT HAS 50 FLOORS AND IS BUILT ON A HUGE SCALE...
IF YOU ASK ME,
THE BUILDING'S TOO BIG.
THEN...
IT'S POSSIBLE FOR A A LABORATORY SOME-WHERE IN THERE.
EXACTLY.

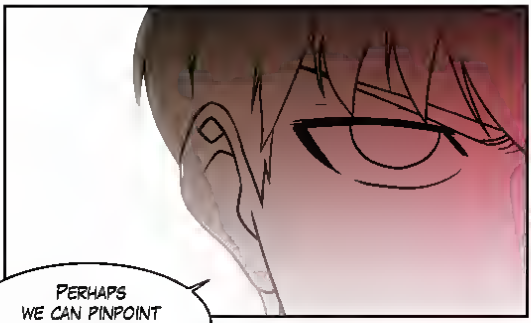
If the laboratory is located somewhere in this building, the staff that maintain it should also be around.

I got a hold of the construction plans for the water supply system, basement cables, and plumbing, but because the building is densely populated, it's impossible to create any tunnels to infiltrate it.

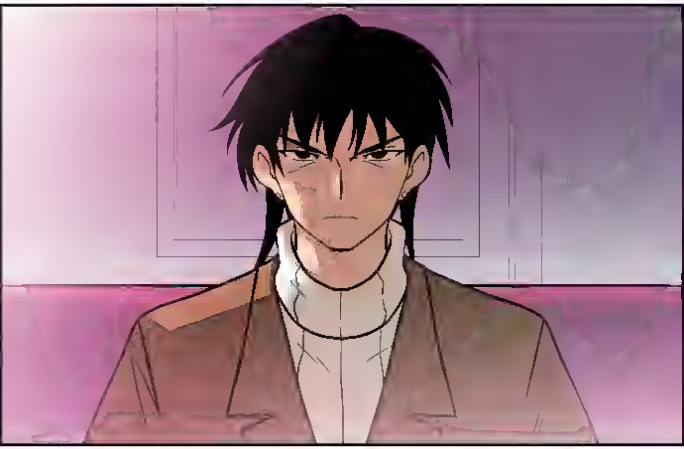
If that's true,



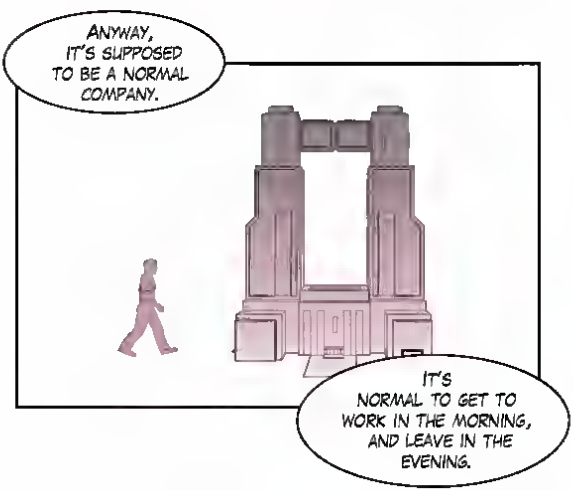
We could locate the whereabouts of this floating population...

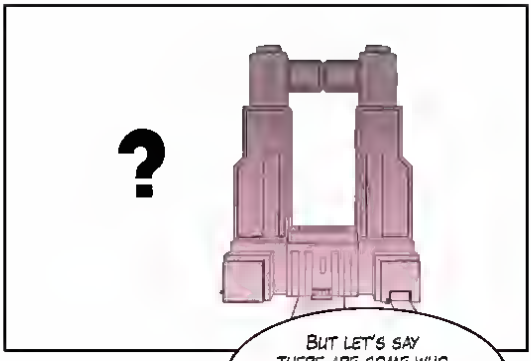


PERHAPS WE CAN PINPOINT ANY QUESTIONABLE EMPLOYEES?

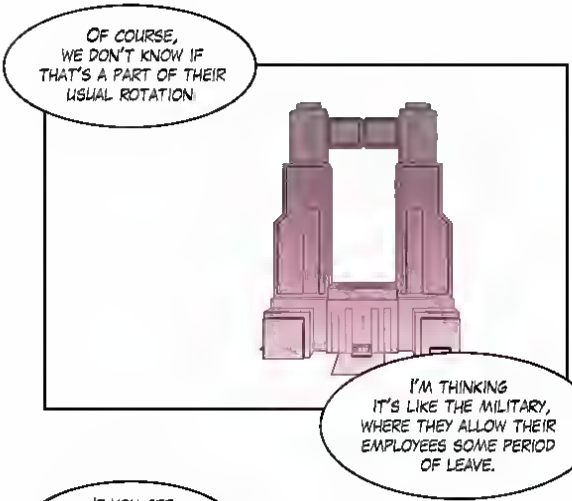


It's time to make a visit.

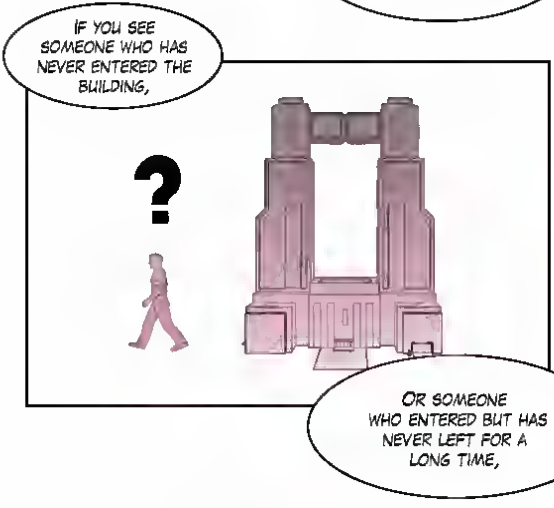




?
But let's say there are some who don't leave the building for a week, or even a month?



Of course, we don't know if that's a part of their usual rotation.
I'm thinking it's like the military, where they allow their employees some period of leave.

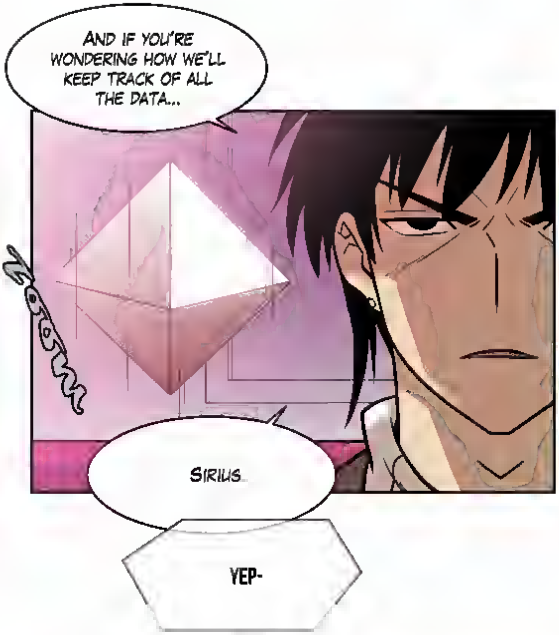


If you see someone who has never entered the building,
?
Or someone who entered but has never left for a long time,

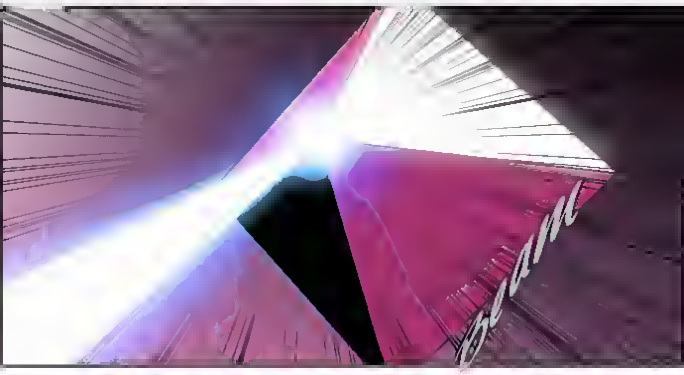
We'll have to...
...kidnap them.

Of course.
We're completely basing this plan off the assumption that "there is no other way out."
But even if there's another exit, there may be some who'll use the front gates.

JUST ONE PERSON
ONE PERSON IS ENOUGH TO CRACK THE CODE FOR US.

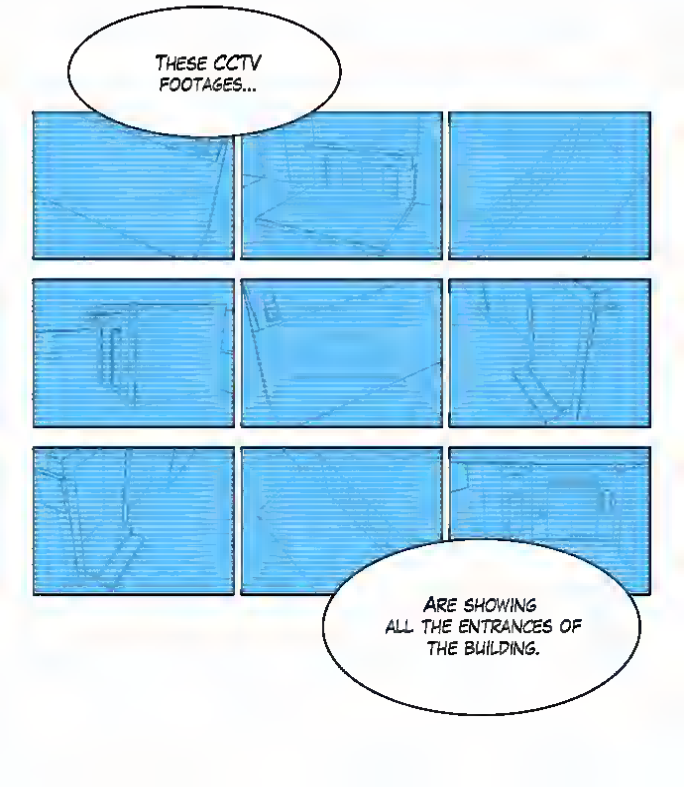


And if you're wondering how we'll keep track of all the data...
Totum
Sirius
YEP-



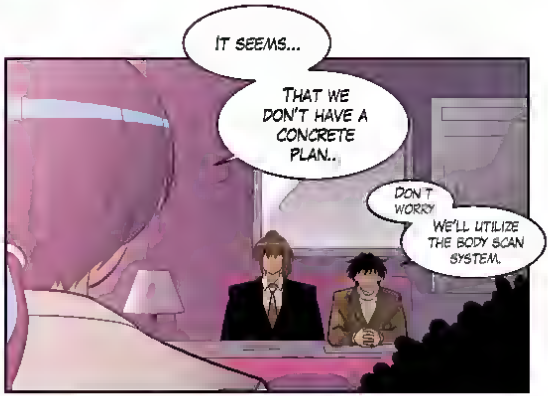
Blam

!!
Slash



These CCTV footages...
Are showing all the entrances of the building.

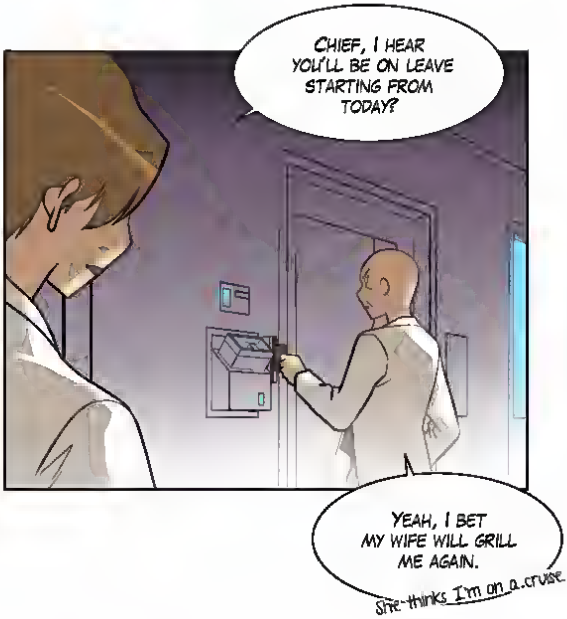
So you're saying you'll check these?
Do you even know how long this will take? And how many employees there are?



It seems...
That we don't have a concrete plan..
Don't worry
We'll utilize the body scan system.

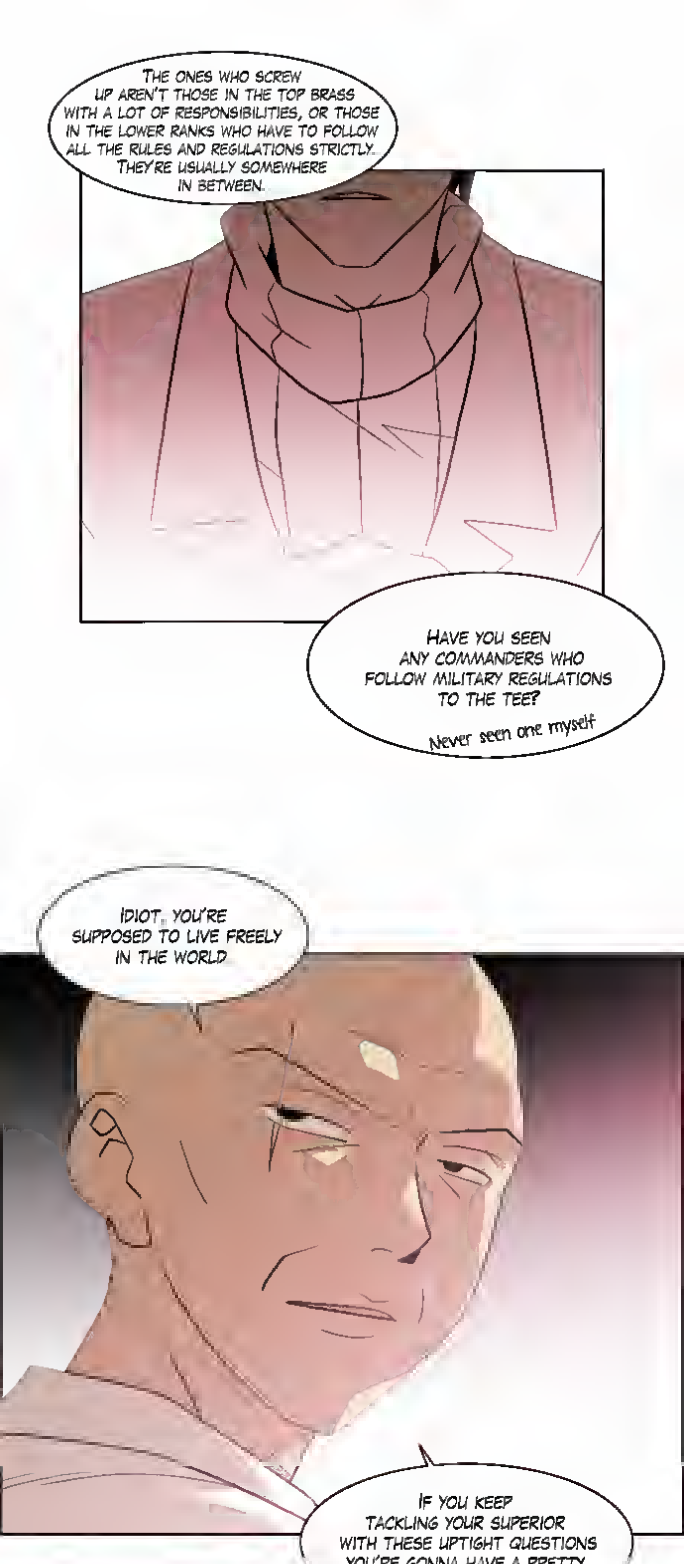
W...WAIT, THAT'S ILLEGAL!!
SAYS THE ONE WHO HIJACKED THE NEW YEAR COUNTDOWN AND FALSE PROMOTED HIS OWN GAME.
UGH!... THA...THAT'S...
I wasn't promoting!
OF COURSE, I KNOW NOTHING.
AND I'LL DO NOTHING
.....
This ayushi is kinda scary~

Slide-

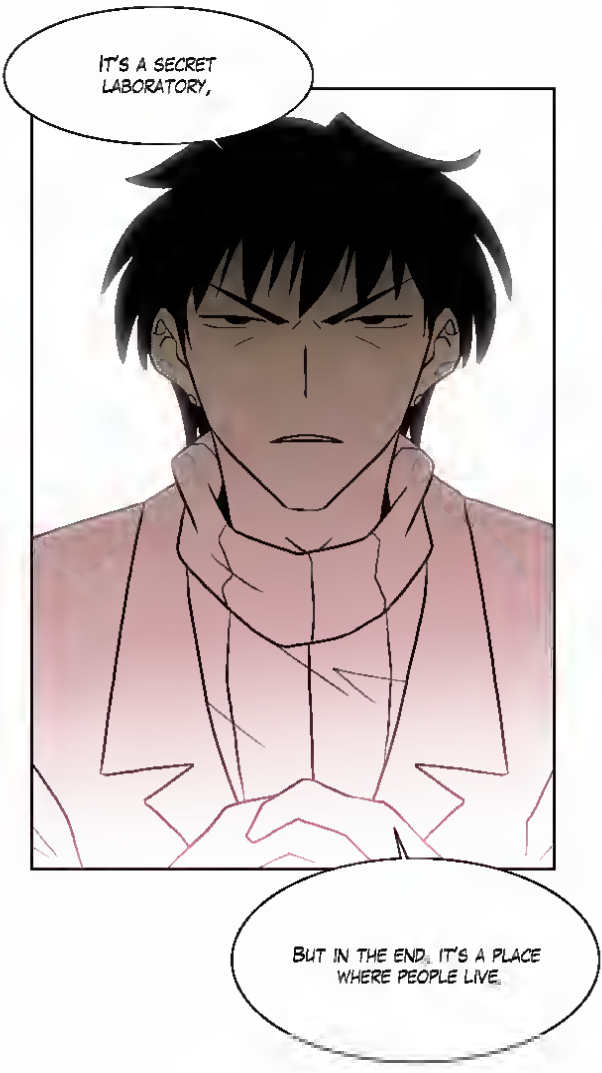


CHIEF, I HEAR YOU'LL BE ON LEAVE STARTING FROM TODAY?
YEAH, I BET MY WIFE WILL GRILL ME AGAIN.
She thinks I'm on a cruise.

BUT ISN'T THAT THE DIRECTION OF THE MAIN TOWER? THE REGULATIONS..
I PARKED MY CAR IN THE MAIN TOWER PARKING LOT SO THERE'S NO HELPING IT! I TOLD THEM TO EXPAND THE PARKING SPACES BEFORE!



The ones who screw up aren't those in the top brass with a lot of responsibilities, or those in the lower ranks who have to follow all the rules and regulations strictly. They're usually somewhere in between.
Have you seen any commanders who follow military regulations to the tee?
Never seen one myself
Idiot, you're supposed to live freely in the world
If you keep tackling your superior with these uptight questions you're gonna have a pretty hard time



To be continued.
